

KIWO[®] MULTICLEAN

Screen printing cleaner based on biodegradable solvents, contains emulsifier

KIWO MULTICLEAN is a universally applicable screen cleaner for the manual cleaning, especially for an intermediate cleaning before decoating, or for the post-treatment of decoated screen printing stencils. KIWO MULTICLEAN is very mild in odour and biodegradable.

APPLICATION Apply KIWO MULTICLEAN on both sides of the stencils with a rag or brush and allow to react for some minutes. Then rinse thoroughly with water, or with a high-pressure water-washer respectively.
